

OUR VISION

"What we're all about"

Based on Isaiah 54v2, we aim to grow 3-dimensionally:

(enlarge, stretch, do not hold back, lengthen, strengthen, spread to L&R, go to the nations)

1. Growing in God

Looking to be 100% filled with God's Holy Spirit and to fulfil all our potential in him as individuals and as a church.

Through continued teaching on growth and creating opportunities to receive from God.

2. Growing in number

To see more people coming into God's kingdom through our influence.

Through equipping the church to reach out to others and through creative use of social media to reach an ever growing online audience.

3. Growing into our community (Gen 49v22)

Actively looking to connect with our local community.

Through specific events for and invites to contacts with church users, visitors and schools.

OUR MISSION

Where we're heading

1. **Making space** for God in every area of Church and personal life.
2. Helping each other to **grow** in Jesus Christ's unconditional love.
3. **Sharing** the Good News in a relevant way
4. Being **family-friendly**- the best place in the world for children.
5. Serving our **community** & sharing our resources.
6. **Equipping** the Church to be active Christians in our communities.
7. Recognising we're part of God's wider **kingdom**.

Goals for next 12 months (until April 2021):

To recognise that throughout the covid pandemic that Jesus has continued to build his church. Not to go back to how things were, but to move forwards and take this chance to seek God for how he wants things to be.

Action plan:

Prayerfully reassess how we do church, including services, children's work, foodbank and other community activities.
